1 NA = Not available

2 Levels outstanding, end month, not seasonally adjusted, in millions of Cyprus pounds.

3 The dash (-) sign denotes that no auctions/open market operations were announced or no bids were accepted during the month.

4 For the time period 1993 - 2000, data refer to the upper limit prescribed by the Central Bank of Cyprus. The Interest Rate Liberalisation Law came into force on January 2001 to provide for the abolition of the interest rate ceiling.

5 For the period January 2001 - November 2001, data refer to the average of the minimum interest rates charged on each loan category, as reported by the three largest banks. From December 2001, data refer to the average of the representative interest rates charged on each loan category, as defined by the

three largest banks.

6 As from 2001 onwards data refer to the average of the representative interest rates offered on each deposit category, as defined by the three largest banks.

7 Monthly data, primarily in line with IMF BPM 4 and elements of BPM 3. In millions of Cyprus pounds.

8 As from 2001 onwards the yield of government bonds (for statistical purposes) is calculated using ISMA formula 6.3.

1 NA = Not available

2 Levels outstanding, end month, not seasonally adjusted, in millions of Cyprus pounds.

3 The dash (-) sign denotes that no auctions/open market operations were announced or no bids were accepted during the month.

4 For the time period 1993 - 2000, data refer to the upper limit prescribed by the Central Bank of Cyprus. The Interest Rate Liberalisation Law came into force on January 2001 to provide for the abolition of the interest rate ceiling.

5 For the period January 2001 - November 2001, data refer to the average of the minimum interest rates charged on each loan category, as reported by the three largest banks. From December 2001, data refer to the average of the representative interest rates charged on each loan category, as defined by the

three largest banks.

6 As from 2001 onwards data refer to the average of the representative interest rates offered on each deposit category, as defined by the three largest banks.

7 Monthly data, primarily in line with IMF BPM 4 and elements of BPM 3. In millions of Cyprus pounds.

8 As from 2001 onwards the yield of government bonds (for statistical purposes) is calculated using ISMA formula 6.3.

1 NA = Not available

2 Levels outstanding, end month, not seasonally adjusted, in millions of Cyprus pounds.

3 The dash (-) sign denotes that no auctions/open market operations were announced or no bids were accepted during the month.

4 For the time period 1993 - 2000, data refer to the upper limit prescribed by the Central Bank of Cyprus. The Interest Rate Liberalisation Law came into force on January 2001 to provide for the abolition of the interest rate ceiling.

5 For the period January 2001 - November 2001, data refer to the average of the minimum interest rates charged on each loan category, as reported by the three largest banks. From December 2001, data refer to the average of the representative interest rates charged on each loan category, as defined by the

three largest banks.

6 As from 2001 onwards data refer to the average of the representative interest rates offered on each deposit category, as defined by the three largest banks.

7 Monthly data, primarily in line with IMF BPM 4 and elements of BPM 3. In millions of Cyprus pounds.

8 As from 2001 onwards the yield of government bonds (for statistical purposes) is calculated using ISMA formula 6.3.

1 NA = Not available

2 Levels outstanding, end month, not seasonally adjusted, in millions of Cyprus pounds.

3 The dash (-) sign denotes that no auctions/open market operations were announced or no bids were accepted during the month.

4 For the time period 1993 - 2000, data refer to the upper limit prescribed by the Central Bank of Cyprus. The Interest Rate Liberalisation Law came into force on January 2001 to provide for the abolition of the interest rate ceiling.

5 For the period January 2001 - November 2001, data refer to the average of the minimum interest rates charged on each loan category, as reported by the three largest banks. From December 2001, data refer to the average of the representative interest rates charged on each loan category, as defined by the

three largest banks.

6 As from 2001 onwards data refer to the average of the representative interest rates offered on each deposit category, as defined by the three largest banks.

7 Monthly data, primarily in line with IMF BPM 4 and elements of BPM 3. In millions of Cyprus pounds.

8 As from 2001 onwards the yield of government bonds (for statistical purposes) is calculated using ISMA formula 6.3.

1 NA = Not available

2 Levels outstanding, end month, not seasonally adjusted, in millions of Cyprus pounds.

3 The dash (-) sign denotes that no auctions/open market operations were announced or no bids were accepted during the month.

4 For the time period 1993 - 2000, data refer to the upper limit prescribed by the Central Bank of Cyprus. The Interest Rate Liberalisation Law came into force on January 2001 to provide for the abolition of the interest rate ceiling.

5 For the period January 2001 - November 2001, data refer to the average of the minimum interest rates charged on each loan category, as reported by the three largest banks. From December 2001, data refer to the average of the representative interest rates charged on each loan category, as defined by the

three largest banks.

6 As from 2001 onwards data refer to the average of the representative interest rates offered on each deposit category, as defined by the three largest banks.

7 Monthly data, primarily in line with IMF BPM 4 and elements of BPM 3. In millions of Cyprus pounds.

8 As from 2001 onwards the yield of government bonds (for statistical purposes) is calculated using ISMA formula 6.3.
